# Select “Create Budget Request” to begin building your Budget Request

The screenshot shows the Syracuse University Budget Requests web application. At the top left is the Syracuse University logo. A search bar is located at the top center. On the right side, there are buttons for 'ORGSYNC REQUEST ARCHIVE', 'ACCOUNTS', and 'CREATE REQUEST'. The 'CREATE REQUEST' button is circled in red, and its dropdown menu is open, showing three options: 'Create Budget Request', 'Create Purchase Request', and 'Create Funding Request'. On the left side, there is a sidebar with various icons representing different departments or services. The main content area is titled 'Budget Requests' and includes filters for 'Budget', 'Purchase', and 'Funding'. Below these filters are search and status dropdowns, and a 'Show Only Recently Deleted' toggle. A table of results is displayed, showing one entry for 'Yasunori Nakahori' with the title 'Poster printing', number 'No. 65903', submission date 'Submitted Nov 11, 2019', and status 'Approved'. At the bottom of the results area, there is a green checkmark icon and the text 'All Results Loaded'.
