

## **NEW STUDENT ORGANIZATION (NSO) INFORMATION PACKET**

THIS PACKET EXPLAINS THE PROCESSES AND POLICIES FOR APPLYING TO BECOME A RECOGNIZED STUDENT ORGANIZATION THROUGH THE AREA OF STUDENT ENGAGEMENT. PLEASE READ THIS INFORMATIONAL PACKET THOROUGHLY BEFORE SUBMITTING AN APPLICATION.

Thank you for your interest in starting a new organization here at Syracuse University! This packet will guide you through creating a new student organization within the Student Engagement office.

### **New Student Organization (NSO) Registration:**

The Student Engagement office currently houses over 250 recognized student organizations (RSOs). 'Cuse Activities, Syracuse University's organization management and student networking portal, can be used to search and contact recognized organizations on campus to get involved. Syracuse University and SUNY-ESF students who do not find a current organization to fit their interests have the opportunity, and are encouraged, to create their own organization. There are many benefits associated with being recognized through the lens of the Student Engagement team including:

- Use of campus facilities and resources
- Use of meeting rooms in Schine Student Center, expenses waived
- Marketing and promotion on campus
- Eligibility to be considered for awards
- Ability to fundraise on campus
- Use of 'Cuse Activities, access to beneficial trainings and leadership workshops, use of "Syracuse University" in the club's name (*as the location, indicated at the end of the organization name*)
- Advising by an RSO Consultant in the Student Engagement office for program planning and implementation assistance

The following information will guide students through the NSO application process and the required steps to become an RSO.

### **Application Process:**

The Student Engagement office organizes one registration period per semester for prospective organizations to submit their application materials for consideration. Application deadlines are set annually by the Student Engagement office and will be published on the website and in the 'Cuse Activities application. Following the deadline, the Student Engagement office will review all applications.

To determine eligibility for the application process, all prospective student organizations **MUST** submit an NSO Application via 'Cuse Activities. The application packet must include the following items:

1. Officer Registration Form
2. Organization Questions
3. University Advisor Contract

It is recommended to submit your application early as a Student Engagement staff member can ensure your application is complete before the final deadline. If your application is found to be incomplete once the deadline passes, you will not move forward with the process and will have to reapply during the next registration wave or, in some cases, the next academic year.

All NSOs seeking recognition will be required to find a faculty/staff advisor. An advisor can be any full-time member of the faculty or staff at Syracuse University/SUNY-ESF. Advisors can be as involved with your organization as you want them to be. Be sure to have a conversation with your potential advisor first to discuss guidelines and expectations to ensure your organization will continue to be stable and successful. These guidelines will be included in the University Advisor Contract.

All application materials must be submitted via \Cuse Activities submission form by the indicated deadline for that application cycle. Any materials submitted outside of the \Cuse Activities form or after the deadline closes will not be accepted.

Information on all these materials can be found on \Cuse Activities or on the Student Engagement website under the ["Create a New Student Organization"](#) link.

### **The Application Review Process:**

During the application review process, the following criteria will be considered for approval of the proposed organization by the New Student Organization Review Board.

- The following registration materials are to be completed and submitted by the due date. If you do not submit a complete application, you will not be considered. *No exceptions will be made.*
  - Officer Registration Form with a complete member list consisting of:
    - A minimum of (8) currently enrolled Syracuse University and/or SUNY-ESF students, which must include a minimum of four (4) officers that are full-time, on-campus, matriculated, undergraduate students at SU or ESF. Students studying abroad are not permitted to serve in executive board positions.
    - A majority, or 51%, of the organization membership must be undergraduate, Syracuse University/SUNY-ESF students. For instance, if the roster totals 8 members, then a minimum of 5 members must be undergraduate Syracuse University/SUNY-ESF students.
    - Executive positions that fall within the positions listed below can only be held by current undergraduate students within Syracuse University/SUNY-ESF:
      - President
      - Vice President
      - Fiscal agent
      - Secretary or Equivalent
  - Organization Questionnaire
  - University Advisor Contract
    - Includes advisor responsibilities and is signed by the advisor and organization's president
- The recruitment and membership of the organization is open to all Syracuse University and SUNY-ESF undergraduate students. **Graduate students are optional.**
- The organization has a purpose that:
  - Aligns with the mission and values of Syracuse University
  - Is long-term
  - Is not already adequately addressed by an existing organization
  - Requires the continual recruitment of new members
  - Is not-for-profit
  - Does not promote illegal activity
  - Does not go against the [Code of Student Conduct](#)
- The purpose of the organization is NOT to support or promote a specific item (i.e. political candidate, book, game, etc.).
- The organization promotes student engagement and leadership (including providing the student body with opportunities to interact with each other, or those they typically do not interact with).
- The student organization philosophy supports the educational mission, student engagement, and leadership of Syracuse University/SUNY-ESF.

- The name of the organization is in trademark and copyright compliance.
  - The prospective organization's name must not include "Syracuse University", or any other identifying phrases connected to the University at the beginning of its name (i.e. Syracuse University Math Club, Orange Math Club, both are NOT acceptable names. Math Club at Syracuse University *is* acceptable).
- Accepted applications are expected to participate in a mandatory pitch meeting upon their application's approval. During this session, they will engage with members of the NSO Review board, providing comprehensive responses to any relevant inquiries. Further details regarding pitch meetings can be found on the final page of this packet.

**\*Following all pitch meetings, the Senior Leadership team within the Student Engagement office will review accepted applications for program admission. The Student Engagement office reserves the right to deny organization recognition at their discretion.**

**\*Please note that recognition is a privilege, and the Student Engagement office reserves the right to revoke an organization's recognition status at any time. Recognition does NOT imply University endorsement, sponsorship, or approval of an organization's activities or events.**

#### **Process for Denied Organizations:**

If an organization is denied participation in the registration process due to failure to meet any or all criteria, the prospective organization may reapply in the next application cycle unless otherwise determined by the Student Engagement office.

#### **New Student Organization (NSO) Registration Process**

Once approved, NSOs must complete the following registration steps by the last day of classes. These steps will be outlined in a mandatory NSO orientation workshop. Available dates for the orientation workshop will be provided after the application submission deadline closes.

- NSO Executive Boards must attend an NSO orientation workshop presented by the Student Engagement office.
- NSOs must create a complete profile on 'Cuse Activities. This includes an electronic signature from the organization's University advisor.
- NSOs must attend and complete a Constitution Writing workshop hosted by the Student Engagement office.
- NSOs must meet with an NSO team representative, also known as an NSO Consultant. NSOs must meet with their NSO Consultant at least three times, twice in the Fall semester and once in the Spring semester.

#### **Failure to Meet Requirements of Registration Process**

If a prospective organization has been approved to proceed through the New Student Organization registration process, they must complete the process during the semester of approval. If the organization does not fully complete the process, they will not gain official RSO status through the Student Engagement office and will be barred from re-applying as an NSO until the next academic year.

**Moreover, this will result in the need to re-apply after one full year.**

*Ex. The Citronauts were approved after applying to be a new student organization in Fall 2022. They did not complete all of the registration requirements to be recognized by the end of the Fall 2022 semester. As such, they will have to wait until Fall 2023 to reapply. They will be required to submit a new application.*

### **Organization Communities**

Student Engagement outlines communities for all student organizations. Students applying for registration should choose to be part of one of the following communities based on their mission and goals. The Student Engagement office reserves the right to reclassify organizations at their discretion.

- Publications/Media
- Club Sports & Interest/ESports
- Cultural/Ethnic
- Religious/Spiritual
- Honors/Academic/Professional
- Performing Arts & Creative Arts
- Public Service/Outreach
- Social/Special interest
- Fraternity & Sorority Life

#### **If you wish to be recognized as a *Sports/Recreation Organization*:**

Speak with Angie Petrie, [apetrie@syr.edu](mailto:apetrie@syr.edu), Assistant Director for Sports Programs and/or Jasmine Holmes, [jholme04@syr.edu](mailto:jholme04@syr.edu), Associate Director for Sports Programs, Barnes Center at the Arch, 315.443.8000, before applying through the Student Engagement office.

#### **If you wish to be recognized as a specific *Religious/Spiritual Organization*:**

*\*\*All organizations with a religious or spiritual affiliation will undergo review by Hendricks Chapel before being admitted into the program.*

Speak with Hendrick's Chapel at 315.443.2901 before applying through the Student Engagement office.

#### **If you wish to start a new *Fraternity or Sorority*:**

Speak with Fraternity and Sorority Affairs, 1st Floor, Women's Building, at [greeklife@syr.edu](mailto:greeklife@syr.edu) or 315.443.1870.
