2018 CLASS HIGHLIGHTS

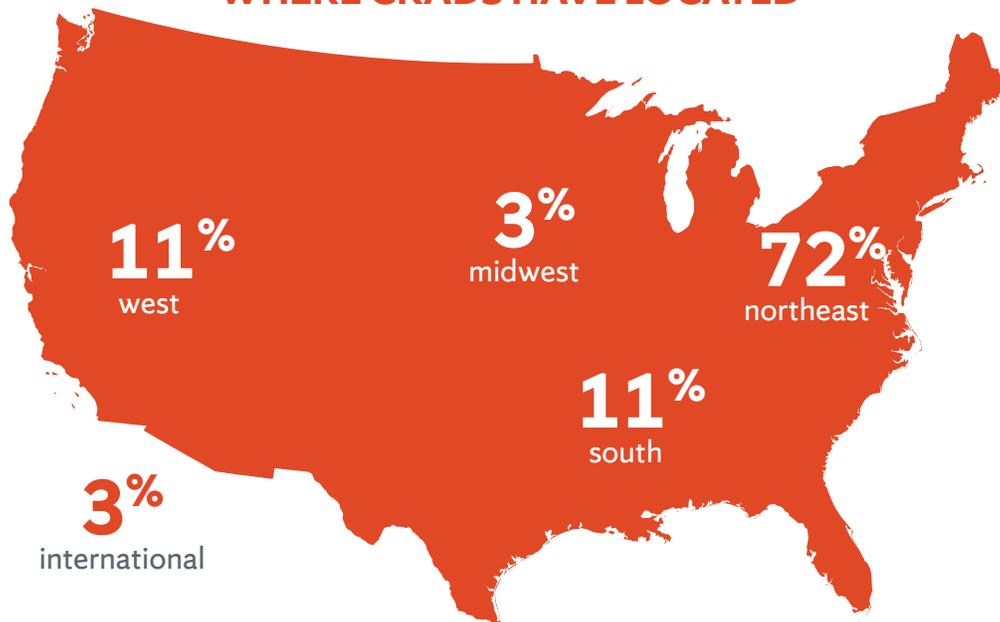

The class of 2018 consists of graduates from undergraduate programs who were awarded degrees in July, August, December 2017 and May and June 2018.

Results reflect information on 2,640 of 3,281 undergraduate degree recipients, representing an 80% knowledge rate.

OUTCOMES OVERVIEW

WHERE GRADS HAVE LOCATED

Data for this report is compiled from information collected by Syracuse University Career Services and various academic units across campus. The information consists mostly of survey responses from graduates, but also includes knowledge gained through LinkedIn and faculty/staff reporting.

The information in this report is collected and compiled following the National Association of Colleges and Employers (NACE) standards and protocols for the collection and dissemination of graduating student initial career outcomes information for undergraduates.

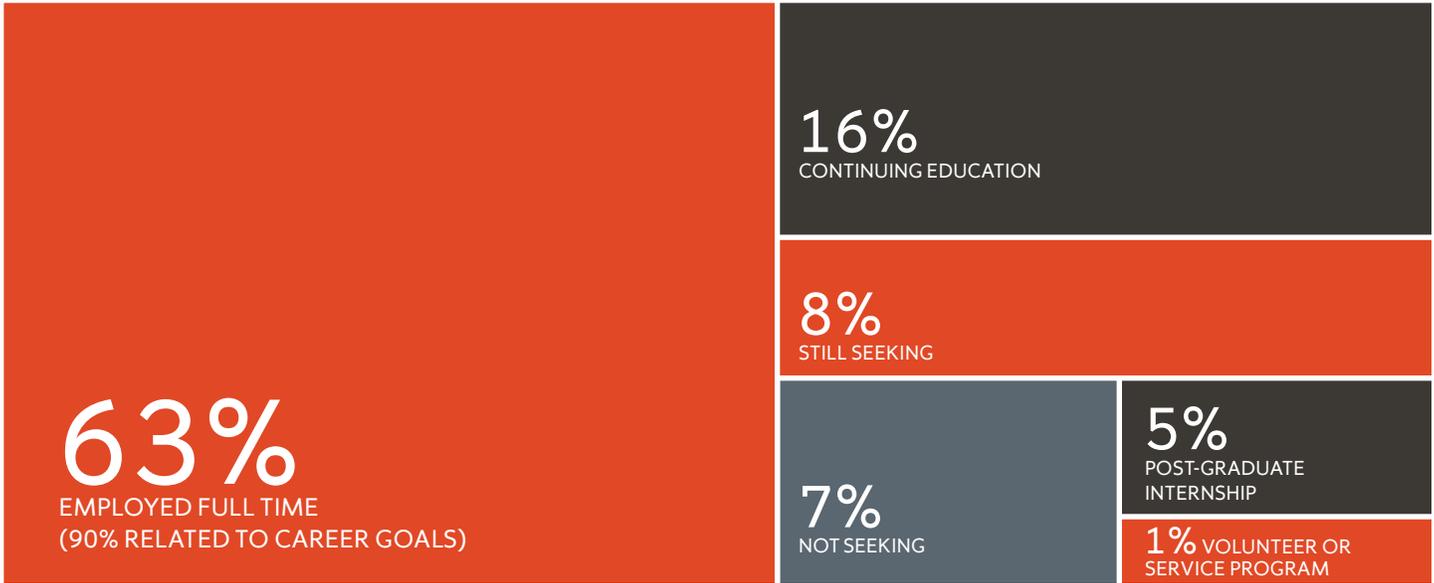

Graduates who completed majors in multiple schools at Syracuse University are reported in the results for each school and college.

To collect career outcomes, Syracuse University Career Services uses National Association of Colleges and Employers (NACE) standards. The Whitman School of Management uses stricter standards of its national professional organizations associated with AACSB-accredited business schools, MBA Career Services and Employer Alliance (MBACSEA) and National Undergraduate Business Symposium (NUBS). Following these standards, 93% of Whitman students seeking full-time positions obtained them within 90 days of graduation.

AVERAGE STARTING SALARY

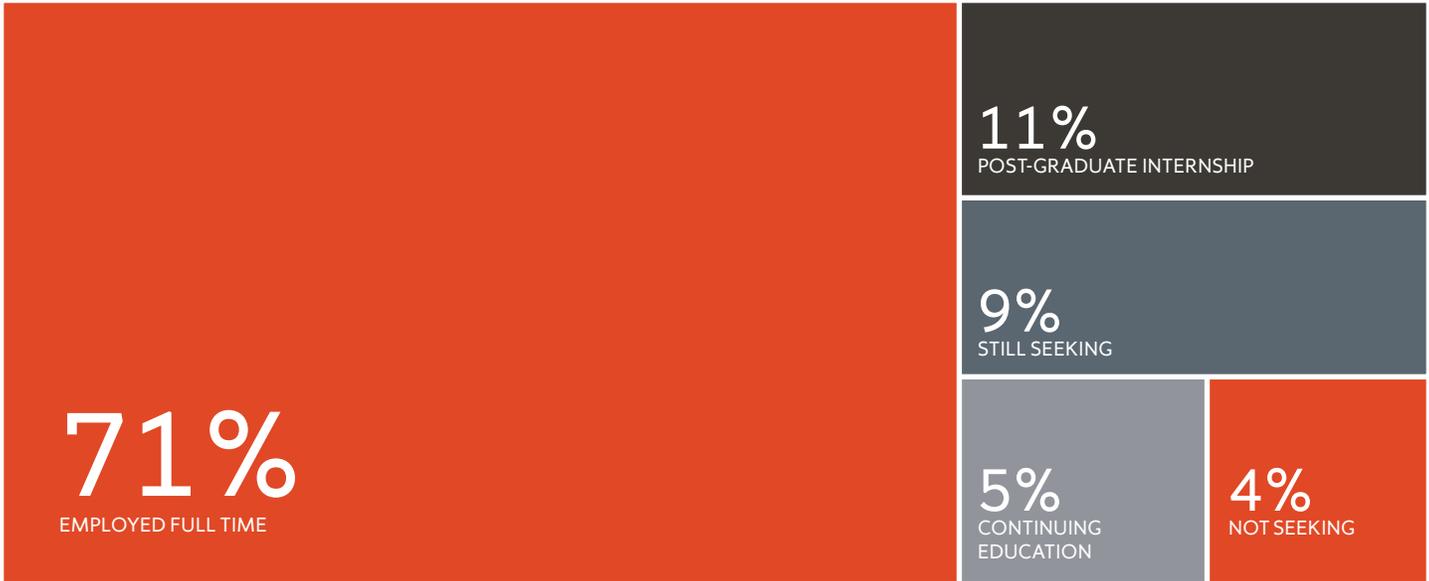

\$59,602
